				ADAGALALE.				
1	Chenduvalli Devappa Gowda, Patel, Adagalale S. Vamana Rao, Shanbhogue.		State that if the demarcation lines close to cultivated lands in Magodu, Javali, Adagalale as now proposed they will have no lands left for bringing leaves for manure or fuel. They therefore pray that the line be removed so as to exclude a fair portion of Survey Nos. 92, 95, 45, 93 and 96.	Long possession and enjoyment.	The Forest Sub-Division Officer who is present agrees.	On the eastern boundary of Adagalale Village, the demarcation line will be shifted to a point 15 chains to the south of the north-east corner of Survey No. 93. From there the line will run due west for a distance of 102 chains through Survey Nos. 93, 92, 94 and 96 till it meets the western boundary of Survey No. 96 at a point 18 chains north-west from the north-west corner of Survey No. 93.	...	...
2	Do		They state similarly that if the line will run through their village to the north as now proposed, the raiyats of Javali, Adagalale and Chenduvalli, will not have any grazing ground or forest for fuel or leaf manure and pray that Survey Nos. 44, 161, 160 and 120 be excluded and that a portion of Survey No. 48 be given back to them for their use.	Do	The Forest Sub-Division Officer agrees.	Survey Nos. 44, 161, 160 and 120 will be excluded from the proposed reservation area. The line will enter the eastern boundary of Survey No. 43 at a point 85 chains north-west from the south-east corner of the said survey number and will run north-west for a distance of 11 chains till it meets the north-east corner of Survey No. 42 and will then run along the eastern boundaries of Survey Nos. 160 and 161 till it meets the line as proposed on the bank of the Malur Halla.	...	...
3	Do		Pray that free grazing be permitted.	...	Cannot be permitted as a large area has been excluded from the proposed area.	Prayer rejected as much as 580 acres have now been ordered to be excluded from the area proposed to be reserved.	...	...
				SANKAN SHANBHOGH.				
1	Lakshmi Narasimhatta of Talenir, Venkatagiriappa of Kaligal, Mahabala Bhatta of Kammane.	20th August 1934.	Pray that as the proposed line is too close to their cultivated lands in Kaligal and Kammane, the line may be shifted so as to exclude Survey Nos. 32 and 49 and portions of Survey Nos. 28, 48 and 4.	Do	The Forest Sub-Division Officer agrees.	Survey Nos. 32 and 49 will be excluded from the area proposed to be reserved. From the southernmost corner of Survey No. 49, the line will run north-west for a distance of 55 chains through Survey No. 48 till it meets the western boundary of the said survey number at a point 18 chains south-west from the south-east corner of Survey No. 78. From the north-east corner of Survey No. 32 the line will run north-west through Survey No. 28 for a distance of 63 chains till it meets the southern boundary of Survey No. 6 at a point 5 chains west from the south-east corner of the said survey number and will continue in the same direction till it meets the north-east corner of Survey No. 7. Then the line will run north-west till it meets the western boundary of Survey No. 4 at a point about 29 chains south of the north-west corner of the same survey number.	...	...
2	The same persons.		They pray for the following rights in the reserved portion of Survey No. 48, as this is the only region near them where they can exercise these rights.— (1) That the inhabitants of Kaligal hamlet be permitted to graze their cattle free, and (2) That they be permitted to remove grass for thatching their houses.	Long enjoyment.	There cannot be any further exclusion from the proposed area. These rights have to be conceded.	The inhabitants of Kaligal hamlet will be permitted to graze their cattle free in the reserved area of Survey No. 48. They will also be permitted to remove from this area free, all the thatching grass that they may require.	...	...
3	Wudikesarada Devaru Bhattam, Talur Rama Bhattam.		Pray that as the proposed line runs too close to the cultivated lands in the hamlet, it may be shifted so as to run along the southern boundary of Survey No. 48.	Do	The Forest Sub-Division Officer has no objection.	This portion of the eastern boundary of the proposed line will be shifted so as to run along the southern boundary of Survey No. 48.	...	...
4	Do		Pray for the right of way through the proposed forest for people who go from Kaligal to Wudikesara.	Do	Do	This right of way is conceded. The foot-path enters the forest at a point 7 chains north-east of the southernmost corner of Survey No. 49 and leaves it at a point 10 chains west from the westernmost corner of Survey No. 44.	...	...

				MALUR.				
1	Payappa Gowda, Inam Lord, Patel Lakshminaranappa, Kesavinamane Naranappa, Ramabhatta.	26th August 1934	Pray that as the inclusion of Survey Nos. 216 and 9 deprives them of the grazing ground essential for the cattle of Melina-Malur, these numbers may be excluded from the proposed reservation.	Long enjoyment	Survey No. 216 may be excluded. But the whole of the area in Survey No. 9 proposed to be included should not be excluded as even otherwise they have enough gomal.	Survey No. 216 will be excluded from the proposed reservation. As for Survey No. 9, the line will cut the eastern boundary of Survey No. 488 of Kudarur Village at a point 25 chains south from the north-east corner of the said survey number and runs east for about 12 chains. Then it will turn north and meets the suth-west corner of Survey No. 50 on the southern bank of the Malur Halla.	...	...
				KUDARUR.				
1	S. Krishna Murthy, Shanbhog and Hurali Kollappa Gowda.		Represent that the present proposal will cut off the residents of Kudarur and Sasigoli entirely from the few grazing and forest facilities that they are now enjoying because of the tree-less nature of the country, and pray that Survey Nos. 304, 308, 320 and 428 be fully excluded.	Long enjoyment	This area cannot be excluded as it involves the exclusion of the heavily wooded area in Survey No. 303. There is no objection to grant them grazing and other facilities as these hamlets are close to the tree-less area of the proposed forest.	The exclusion prayed for is not possible. The line will be shifted by half a furlong from near the South-West Corner of Survey No. 353, al-round Kudarur lands up to where the line meets the Devalikoppadahalla to the north of Survey No. 416. Then it will follow the course of the halla up to the western boundary of Survey No. 422. It will then go round the cultivated lands of Sasigoli at a distance of half a furlong al-round and will cross the stream at a point five chains east of the North-East corner of Survey No. 422. The line will again be shifted by half a furlong al-round the lands of Sasigoli. The people of Kudarur and Sasigoli will be permitted to graze their cattle free in the State Forest as well as to remove fuel, soppu, Karada and thatching grass therefrom.	...	...
2	Hurali Kollappa Gowda, Balegal Kolluriah, Shanbhog Krishna Murthy.	21st August 1934	Represent that the proposed line will inconvenience the raiyats of Balagudde, Vokkodi, Arodi, and Ballodi, and pray for the exclusion of Survey Nos. 235 and 251, from the proposed reservation.	Long possession	Exclusion as prayed for cannot be permitted. The line may be shifted to the extent necessary.	From the vicinity of the North-East corner of Survey No. 422, the line will run in a North-Westerly direction for a distance of 25 chains to a point 5 chains east from the North-East corner of Survey No. 420. Then the line runes due North for about 60 chains through Survey No. 266 to a point 18 chains North-East from the North-East corner of Survey No. 253. Then it runs West through the said Survey No. for a distance of 55 chains till it meets the South-West Corner of Survey No. 251. Then it will follow the proposed line to a distance of 7 chains. Then the line will run North-East for a distance of 50 chains through Survey No. 57 to a point 14 chains North-West from the South-East corner of Survey No. 251. Then it follows the proposed line till it meets the Southern Boundary of Survey No. 239.	...	...
3	Balegal Kolluraiya, Hurali Kollappa Gowda, Kudarur Dyavappa Gowda.		Represent that the proposed line deprives them entirely of all grazing and other facilities and pray for the exclusion of the portion of Survey No. 251 to the South of Balegal, Survey No. 79 and Survey No. 89.	Long enjoyment.	Portions of Survey Nos. 251 and 79 may be excluded as they are found necessary for the use of the residents of Balegal and Kodasara. But Survey No. 39 should not be excluded.	The line will run from the Southern edge of Survey No. 239 in a North-Easterly direction for a distance of 61 chains till it meets the trijunction bondhs of Survey Nos. 251, 79 and 89. Then it will run in a South-Easterly direction for a distance of 13 chains to a point 8 chains West from the North-West corner of Survey No. 97. Then the line runs South-East for a distance of 32 chains to a point 5 chains South-West from the South-West corner of Survey No. 52. Then the line runs east through the said Survey No. 39 for a distance of 92 chains to a point 7 chains South-East from the South-East corner of Survey No. 29 at the Malur village boundary.	...	...

4	Patel Dyavappa Gowda of Kudarur.	21st August 1934	*Says that the inclusion of Survey No. 501 in the State Forest will absolutely choke the cultivators of Survey Nos. 498, 499, 500 and 501. This should therefore be released.*	Long enjoyment	The Forest Sub-Division Officer agrees as this is found necessary. Says it will also have to be treated as an enclosure as it is right in the heart of the forest.	Survey No. 501 will be excluded from the proposed reservation. This number will also be treated as an enclosure.	...	*The right of way for men and cattle from Balladu to Bagenmane will be conceded. Way to be 16 feet wide.
5	Hurali Kollappa Gowda.		The proposed line near Balagal, Hurali, Hillodi and Sunagodu will deprive the inhabitants of those hamlets of all the grazing and other facilities. It is absolutely necessary that the line should be shifted so as to exclude No. 496, 472, 286 and 499 from the reservation. Otherwise they will have to abandon their hamlets.	Long possession	Survey No. 472 may be excluded. The other numbers should not be excluded. Necessary shiftings may be made.	From the limits of Malur village, the line will enter Kudarur limits, at a distance of 8 chains North-West from the North-West corner of Survey No. 19 of Malur. It will then run in a Westerly direction through Survey No. 496 for a distance of 90 chains till it meets the Eastern most corner of Survey No. 472. Then it will run along the two arms of the Survey No. on its eastern and Western sides till it meets a point 6 chains North-West from the North-Western corner of Survey No. 471. It will then run parallel to the proposed line at a distance of 6 chains from it till it reaches a point 5 chains from the South-West corner of Survey No. 469. Then it will take a South-Easterly direction and will run for a distance of 22 chains till it meets a point on the Eastern boundary of Survey No. 428 at a point 18 chains to the South of the Southern most corner of Survey No. 468. Then it will run North-East for a distance of 35 chains through Survey No. 488 till it meets a point 6 chains South-West from the Southern most point of Survey No. 462. Then the line runs South, East and North parallel to the proposed line at a distance of 5 chains from it all round till it meets the Malur Halla. Then it follows right bank of the halla till it meets the South-West corner of Malur village.	...
